2. Automatic Extensions

Each of the following Extensions automatically applies unless otherwise stated in the endorsements. Each of the Extensions is subject to all of the terms and conditions of this **Policy** unless otherwise stated in this Clause 2. None of these Extensions increase the limits of liability specified in the **Schedule**.

2.2 Defamation

- (b) The **Insured** must not incur any **Defence Costs** or **Legal Representation Expenses** without the prior written consent of **Chubb**, which shall not be unreasonably withheld. **Chubb** is not liable to indemnify the **Insured** for any **Defence Costs** or **Legal Representation Expenses** unless **Chubb** provides its prior written consent to the incurrence of such **Defence Costs** or **Legal Representation Expenses**.
- (c) The **Insured** must not settle or make any admission, offer, payment or otherwise assume any contractual or other obligation in relation to any **Claim** or **Inquiry** in respect of which **Chubb** is, or may be, liable to indemnify the **Insured**, without the prior written consent of **Chubb**. **Chubb** is not liable to indemnify the **Insured** for any settlement, admission, offer, payment or assumed obligation unless **Chubb** provides its prior written consent.

 - (i) one act, error or omission; or
 - (ii) acts, errors or omissions which are the same or are attributable to the one source or originating or underlying cause,these **Claims** and **Inquiries** shall be regarded as one **Claim**.

5.4 Mitigation and Co-operation

- (a) The **Insured** must at its own expense take all reasonable steps and precautions in doing all things reasonably practicable to avoid or minimise any actual or potential **Loss** arising from any actual or possible **Claim** or **Inquiry** under this **Policy**.
- (b) The **Insured** must, at their own expense and on an ongoing basis, give **Chubb** and any investigators or legal representatives appointed by **Chubb** all information they reasonably require, and full co-operation and assistance in the conduct of any investigation (including investigations for the purpose of enabling **Chubb** to determine its liability to provide an indemnity under this **Policy**), defence, settlement, avoidance or reduction of any actual or possible **Claim** or **Inquiry**.

5.5 Disclosure of Information

Legal representatives appointed by **Chubb** to act on the **Insured's** behalf shall be entitled to disclose to **Chubb** any information obtained while so acting and the **Insured** agrees to waive any claim for legal professional privilege to the extent that the privilege would otherwise prevent such legal representatives from disclosing information to **Chubb**.

5.6 Disputes as to Defence & Settlement of Claims

- (a) If a dispute arises between **Chubb** and the **Insured** as to whether a **Claim** or **Inquiry** should be contested, neither **Chubb** nor the **Insured** will require the other to contest the **Claim** or **Inquiry** unless a Senior Counsel or a lawyer of equivalent status (to be mutually agreed or, in default of agreement, the **Insured** is to select one of three Senior Counsels, or lawyers of equivalent status nominated by **Chubb**) recommends that the **Claim** or **Inquiry** should be contested. **Chubb** will brief the Senior Counsel or a lawyer of equivalent status to advise on whether or not the **Claim** or **Inquiry** should be contested and if not, on the amount for which the **Claim** or **Inquiry** should be settled. In providing such advice and in making any recommendation as to settlement, the Senior Counsel or a lawyer of equivalent status is entitled to take into account both legal and commercial considerations. The Senior Counsel or a lawyer of equivalent status must have regard to the damages and costs that are likely to be recovered, the **Defence Costs** or **Legal Representation Expenses** that will be incurred in contesting the **Claim** or **Inquiry** and the prospects of the **Claim** or **Inquiry** being successfully defended. The costs of obtaining this recommendation will be borne by **Chubb**.
- (b) If the Senior Counsel or a lawyer of equivalent status recommends that settlement of the **Claim** or **Inquiry** should be attempted, then settlement of the **Claim** or **Inquiry** must be attempted as recommended.
- (c) Where settlement is attempted in accordance with the recommendation of the Senior Counsel or a lawyer of equivalent status but is unsuccessful, **Chubb** will continue to indemnify the **Insured** subject to the terms and conditions of this **Policy**.
- (d) If a settlement recommended by the Senior Counsel or a lawyer of equivalent status is acceptable to the claimant, but the **Insured** refuses to consent to such settlement, **Chubb's** liability, in respect of the **Claim**, will be limited to the amount for which the **Claim** could have been settled, plus the **Defence Costs** incurred up to the date the refusal to consent was made.
- (e) If a settlement recommended by the Senior Counsel or a lawyer of equivalent status is acceptable to the regulatory body or medical association conducting the **Inquiry**, but the **Insured** refuses to consent to such settlement, **Chubb's** liability, in respect of the **Inquiry**, will be limited to the **Legal Representation Expenses** incurred up to the date the refusal to consent was made.

5.7 Allocation

In the event the **Insured** is a party to a demand, legal proceedings or inquiry which is covered only in part by this **Policy**, the **Insured** and **Chubb** will use their best efforts to agree upon a fair and proper allocation of **Loss** or any other amount insured under this **Policy** which relate solely to what is covered under this **Policy**.

In the event that an agreement cannot be reached, the Senior Counsel or a lawyer of equivalent status (to be mutually agreed or, in default of agreement, the **Insured** is to select one of three Senior Counsels or lawyers of equivalent status nominated by **Chubb**) shall determine, as an expert but not an arbitrator, a fair and proper allocation, such determination to be binding to the parties. Until Senior Counsel or a lawyer of equivalent status has made his or her determination **Chubb** may, in its absolute discretion, pay such **Loss** or any other amount insured under this **Policy** as it considers appropriate. The costs of obtaining this determination shall be borne equally by the **Insured** and **Chubb**.

5.8 Subrogation

If any payment is made by **Chubb** in respect of a **Claim** or **Inquiry** under this **Policy**, **Chubb** will be subrogated to all rights of indemnity, contribution or recovery of the **Insured** in relation to that payment. The **Insured** may not surrender any right, or settle any claim for indemnity, contribution or recovery, without the prior written consent of **Chubb**. The **Insured** shall execute all papers required and shall do everything necessary to secure and preserve such rights, including the execution of such document necessary to enable **Chubb** to effectively bring suit or otherwise pursue subrogation rights in the name of the **Insured**.

(b) any material change in the nature of the **Professional Healthcare Services** offered by the **Insured**.

Chubb may, in its sole and absolute discretion impose such additional terms, conditions and premium as **Chubb** may require to provide coverage under this **Policy** in the event of any material alteration to the risk.
