- (c) All notifications under this **Policy** must include the following information:
 - (i) a specific description of the **Claim, Inquiry** or **Circumstance**, including the manner in which the **Insured** first became aware of the **Claim, Inquiry** or **Circumstance** and the relevant dates; and

5.3 Multiple Claims and Related Conduct

For the purpose of determining cover under this **Policy**:

- (a) all **Claims** or **Inquiries** arising from:
 - (i) one act, error or omission; or
 - (ii) acts, errors or omissions which are the same or are attributable to the one source or originating or underlying cause,shall be regarded as one **Claim** or one **Inquiry** respectively.
- (b) when there are both **Claims** and **Inquiries** arising from:
 - (i) one act, error or omission; or
 - (ii) acts, errors or omissions which are the same or are attributable to the one source or originating or underlying cause,

these **Claims** and **Inquiries** shall be regarded as one **Claim**.

5.4 Mitigation and Co-operation

- (a) The **Insured** must at its own expense take all reasonable steps and precautions in doing all things reasonably practicable to avoid or minimise any actual or potential **Loss** arising from any actual or possible **Claim** or **Inquiry** under this **Policy**.
- (b) Each **Insured** must, at its own expense and on an ongoing basis, give **Chubb** and any investigators or legal representatives appointed by **Chubb** all information they reasonably require, and full co-operation and assistance in the conduct of any investigation (including investigations for the purpose of enabling **Chubb** to determine its liability to provide an indemnity under this **Policy**), defence, settlement, avoidance or reduction of any actual or possible **Claim** or **Inquiry**.

5.5 Disclosure of Information

Legal representatives appointed by **Chubb** to act on an **Insured's** behalf shall be entitled to disclose to **Chubb** any information obtained while so acting and each **Insured** agrees to waive any claim for legal professional privilege to the extent that the privilege would otherwise prevent such legal representatives from disclosing information to **Chubb**.

5.6 Disputes as to Defence & Settlement of Claims

- (a) If a dispute arises between **Chubb** and an **Insured** as to whether a **Claim** or **Inquiry** should be contested, neither **Chubb** nor the **Insured** will require the other to contest the **Claim** or **Inquiry** unless a Senior Counsel or a lawyer of equivalent status (to be mutually agreed) recommends that the **Claim** or **Inquiry** should be contested. If a mutual agreement cannot be reached, the **Insured** is to select one of three Senior Counsels or lawyers of equivalent status nominated by **Chubb**. **Chubb** will brief the Senior Counsel or lawyer of equivalent status to advise on whether or not the **Claim** or **Inquiry** should be contested and if not, on the amount for which the **Claim** or **Inquiry** should be settled. In providing such advice and in making any recommendation as to settlement, the Senior Counsel or lawyer of equivalent status is entitled to take into account both legal and commercial considerations. The Senior Counsel or a lawyer of equivalent status must have regard to the damages and costs that are likely to be recovered, the **Defence Costs** or **Legal Representation Expenses** that will be incurred in contesting the **Claim** or **Inquiry** and the prospects of the **Claim** or **Inquiry** being successfully defended. The costs of obtaining this recommendation will be borne by **Chubb**.
- (b) If the Senior Counsel or a lawyer of equivalent status recommends that settlement of the **Claim** or **Inquiry** should be attempted, then settlement of the **Claim** or **Inquiry** must be attempted as recommended.
- (c) Where settlement is attempted in accordance with the recommendation of the Senior Counsel or lawyer of equivalent status but is unsuccessful, **Chubb** will continue to indemnify the **Insured** subject to the terms and conditions of this **Policy**.
- (d) If a settlement recommended by the Senior Counsel or lawyer of equivalent status is acceptable to the claimant, but the **Insured** refuses to consent to such settlement, **Chubb's** liability, in respect of the **Claim**, will be limited to the amount for which the **Claim** could have been settled, plus the **Defence Costs** incurred up to the date the refusal to consent was made.
- (e) If a settlement recommended by the Senior Counsel or lawyer of equivalent status is acceptable to the regulatory body or medical association conducting the **Inquiry**, but the **Insured** refuses to consent to such settlement, **Chubb's** liability, in respect of the **Inquiry**, will be limited to the **Legal Representation Expenses** incurred up to the date the refusal to consent was made.

5.7 Allocation

In the event the **Insured** is a party to a demand, legal proceedings or inquiry which is covered only in part by this **Policy**, the **Insured** and **Chubb** will use their best efforts to agree upon a fair and proper allocation of **Loss** or any other amount insured under this **Policy** which relate solely to what is covered under this **Policy**.

In the event that an agreement cannot be reached, the Senior Counsel or a lawyer of equivalent status in the jurisdiction (to be mutually agreed or, in default of agreement, the **Insured** is to select one of three Senior Counsels or a lawyer of equivalent status nominated by **Chubb**) shall determine, as an expert but not an arbitrator, a fair and proper allocation. Until the Senior Counsel or a lawyer of equivalent status has made his or her determination **Chubb** may, in its absolute discretion, pay such **Loss** or any other amount insured under this **Policy** as it considers appropriate. If agreement cannot be reached on the appointment of a Senior Counsel or a lawyer of equivalent status, the **Insured** is to select one of three Senior Counsels or a lawyer of equivalent status nominated by **Chubb**. The costs of obtaining this determination shall be borne equally by the **Insured** and **Chubb**.

5.8 Subrogation

If any payment is made by **Chubb** in respect of a **Claim** or **Inquiry** under this **Policy**, **Chubb** will be subrogated to all rights of indemnity, contribution or recovery of the **Insured** in relation to that payment. No **Insured** may surrender any right, or settle any claim for indemnity, contribution or recovery, without the prior written consent of **Chubb**. The **Insured** shall execute all papers required and shall do everything to secure and preserve such rights, including the execution of such document necessary to enable **Chubb** to effectively bring suit or otherwise pursue subrogation rights in the name of the **Insured**.

Chubb will not exercise its right of recovery under this Clause 5.8 against another natural person **Insured**, except where that **Insured** has committed, participated in or condoned a dishonest, fraudulent, malicious or criminal act or omission or where such natural person **Insured** is entitled to an indemnity in respect of any **Claim** or **Inquiry** under any other insurance effected by him or on his behalf, but only to the extent of the indemnity granted by such other insurance policy.

It is a condition precedent to coverage under this **Policy** that the **Practice Entity** provides written notification to **Chubb**, as soon as practicable, of any material alteration to the risk during the **Period of Insurance** including:
